Coaching Programme

We are based at The Meadows which has recently benefited from 4 newly laid courts, a brand new pavilion and floodlights due in Nov 2014.

The Meadows

Cardio Tennis – Monday - 6-7 pm

A fun and exciting group session giving players of all abilities a high energy workout on court.

Touch Tennis – Tuesday - 4-5 pm

Played on an indoor badminton court with foam balls and small rackets. It's loads of fun and offers an exciting alternative to the main game.

Club Coaching – Wednesday - 1-4 pm

Taken by several LTA qualified coaches, sessions focus on the basics of tennis right up to the tactical element of the game.

Club Night – Thursday – 6-7 pm

An opportunity to play matches, fun games and drills or just have a social hit.

Social Hit – Saturday – 2-4 pm

A relaxed session giving students the opportunity to play singles, doubles, king of the court and most of all have fun. Followed by some food and a catch up at our sponsor bar afterwards.

Tennis Express – TBC

A 6 week course for beginners or those returning to the game aimed at teaching you the basics to get you playing as quickly as possible.

Mixed doubles tournament

On top of all this we run a weekly fitness session and an advanced coaching session.

Personal Development

Opportunities to complete discounted coaching courses and deliver tennis to the local schools.
