Socials-

Always one of the most fun nights of the year, club meals at Red Fort last week didn't disappoint. Over 40 club members descended on the world famous curry house to line their stomachs before a big night in 'Suva'. It was great to see just as many social players as team members turning up, the club has really worked on integrating members playing competitively and those who play for fun this year and club meals was testament to how successful that has been! Despite some people being at the club 4 years+, no one seems to have learnt that going to the polish vodka bar on the way to the club is never a good idea!

Club Singles championships-

Well done to our men's and women's club champions this year, Fergus O'Connell and Marie Berlouis! Fergus beat Lloyd in a high quality final that showed everyone why we have had an unbeatable men's first team this year. Unfortunately Fergus will be leaving the club next year, however expect to see Lloyd lifting the club championship trophy at some point in the coming years.

In the women's final, ladies captain Marie Berlouis recovered from a slow start to power past fellow big hitter Hannah Pulford. It would be no surprise to see the top two seeds battling out the final as well next year!

Club Mixed doubles championship-

This year's club mixed doubles championship was a combination of great tennis, beer and cake, and thus was one of the best days of the tennis calendar year. Despite Edinburgh weather being much like our Netflix accounts (4 seasons in one day), the sun miraculously shone all afternoon.

A massive turnout meant a very competitive afternoon of mixed doubles, however coming out on top were first team players and fresher duo Nicola Judge and Lloyd Read.

Most important of all we raised £155 for the Sick Kids Friends Foundation! Well done everyone.

Photo of the month! Antony Wang and his pulling techniques were a strong contender for photo of the month but we thought that would be a bit harsh and plumped for this beauty...

To look forward to in the coming months...

- **AGM Wednesday this week, David Hume Tower 6pm-8pm, Room 1g.11! Everyone encouraged to go for a position on next year's committee!**
